Each year in November, in 200 locations around the world, people gather together to share stories at programs called Tellabration. Since 1996, 200-400 adults have come to each of our annual Tellabration programs. This year, you can hear some of the best storytellers in our area share their favorite humorous stories.

Proceeds from our previous Tellabration programs have **funded over 75 storytelling events** at libraries, museums and other locations in the Capital District. Please come to this program and help us fund even more free storytelling events in our communities.
